Directions to Oneonta

From Points South:

From New York State Thruway/Route 87 north to either Route 28N, Exit 19, or Route 23W, Exit 21.

Roscoe/Rockland to Downsville: 14.2 miles. You will be on New York Route 206 to Downsville.

Downsville to Walton: 8.8 miles on New York Route 206. Coming into Walton, turn right at the first caution light and continue perhaps a quarter mile to a traffic signal. Turn left on Route 206, which is Delaware Street and also New York Route 10. Within 40 yards or so, make a right turn onto Townsend Street. At this point you are no longer on New York Route 206. When you reach the end of Townsend Street, turn left. **Walton to Franklin:** 12.8 miles. You will be on Delaware County Route 21 (note: county signs are much smaller and not as easy to see). About a mile out of Walton, the road divides; stay to the right. **Franklin to Oneonta:** 10.1 miles. As you leave Delaware County 21, turn right onto New York Route 357 and into the village of Franklin. Route 357 brings you to New York Route 28. Bear left and proceed into Oneonta. By the way, if you add up the mileage numbers listed, they will not total the 50-plus miles previously noted, as we did not list the distances you travel through the various villages.

From Route 28, as you come down the hill, make a left at the traffic light onto Main Street. Follow Main Street, and at the third light make a left onto Chestnut Street. At the second light, make a right onto West Street. Follow West Street to the campus entrance.
